- **Secondary School Leaving Certificate**  
Star Matric Higher Secondary School  
(Jun 2017 – Mar 2018) 58%

## Academic Projects

---

### AR Mobile Based Application:

- Using AR, tourists can explore famous landmarks, interactive museums, and natural wonders from home.
- View 3D models of iconic buildings like the Eiffel Tower and Taj Mahal and take virtual walking tours through city streets or wilderness.

### Automate Payout Enabled Crop Insurance:

- Crop insurance platforms that use smart contracts and blockchain technology can automatically process claims and payouts.
- The blockchain-based automated payout crop insurance platform provides robust and innovative solutions that revolutionize the way crop insurance is administered and managed.

## Soft Skills

---

### Effective Communication:

Ability to clearly convey ideas and collaborate with team members and stakeholders.

### Teamwork:

Experience working in collaborative environments to achieve common goals.

### Problem Solving:

Strong analytical skills to identify issues and implement effective solutions.
